# EFFICIENCY AND SOCIAL PERFORMANCE WORK-GROUP *(ACTIVITIES AND PLAN)*

## Summary of workgroup's accomplishments in the period under review

1

Redefined the objectives of the work group which is to have a systematic and acceptable mechanism to determine the efficiency of the microfinance sector especially the key players.

2

Revisited the previous survey on efficiency and it was agreed that a further study should be conducted to address gaps observed.

## Work plan for the next 6 months

A stylized letter 'A' icon with a blue and yellow gradient and a drop shadow.

Development of concept note for the work group. The concept note will cover efficiency and social performance.

A stylized letter 'B' icon with a yellow and orange gradient and a drop shadow.

Conduct a one-time baseline study on efficiency. The survey is expected to capture the three main efficiency areas – Social, operational and financial.
